Blood Donors Listed by Red Cross Comm.

4 Feb 1971

Acknowledgement of appreciation to Wasatch County residents who supported and gave blood to the Red Cross Bloodmobile comes from Beth Moulton, local blood chairman. The turnout produced donations of 100-plus units of blood.

Please accept thanks to Dr. Jack D. Boggess, the local nurses and the Gray Ladies, under the direction of Lois Todd and the 12 Ward Captains who contacted donors; the receptionist and typists.

Thanks to the Jeep Patrol who supplied personnel to load and unload equipment for the drawing. Also Jerry Springer and Mr. Ralph Fugate for the use of his loud speaking system.

I am grateful, too, to the local Church officials for encouragement of support and for use of the building and facilities. Also to the Wasatch Wave for coverage and publicity.

TO ALL YOU WONDERFUL
people of Heber Valley, thank you for your time and sacrifice to this worthy cause. It is through your support that the Heber Blood Bank is made possible.

HENRY THRELKELD COLEMAN & EMILY SPRINGER COLEMAN

Bishop of Midway First Ward—1906-1913.

Henry T. Coleman was born November 20, 1863, in Big Cottonwood, Salt Lake County, Utah. He was the only son of Henry and Mary Jane Threlkeld Coleman. The family moved to Midway in 1864. He married Emily M. Springer on December 31, 1889. They had eleven children, ten of whom lived to adulthood.

Mr. Coleman was blessed December, 1863, in Big Cottonwood by Bishop Brinton. He was baptized in 1873 by Peter Abplanalp, Sr., and like many others at that time was re-baptized in 1880 by Elijah Alder and confirmed by John Huber. He was ordained a teacher in 1881 by David Van Wagoner; as an Elder in 1890 by Bishop David Van Wagoner; as a High Priest by Apostle Hyrum M. Smith in 1906. He was an acting teacher with John Van Wagoner, Sr., in 1881, with John Sonderegger in 1890. In 1890 he was chosen as the secretary of the

2nd Quorum of Elders to Adam Empey as President. In 1892 he was chosen as 2nd counselor in the 2nd Quorum of Elders with D. L. Van Wagoner as president, John A. Wootton as 1st counselor, and John E. Morton as secretary. In 1905 he was set apart by Bishop Joseph Francom as the 1st counselor in the YMMIA with Attewell Wootton, Jr., president; John Van Wagoner, 2nd counselor; and Robert Ross, secretary. In 1906 he was set apart as Bishop of the Midway First Ward under the hands of Apostle Hyrum M. Smith, with John U. Buehler as his first counselor, William L. Van Wagoner as his second counselor, and Charles E. Bronson as clerk. When Brother Buehler moved away, he chose William L. Van Wagoner as 1st counselor and William W. Wilson as his second counselor. When Charles Bronson went on his mission, he chose Simon Epperson to be the ward clerk. In October, 1913, Bishop Coleman was sustained as a member of the Wasatch Stake High Council and was set apart by Apostle James E. Talmage. In 1920 he was ordained the Patriarch of Wasatch Stake by the Church Patriarch, Hyrum G. Smith. This position he held at his death.

Mr. Coleman was appointed constable of Midway in 1892 by the Governor of the Territory of Utah, Arthur L. Thomas. He was made a trustee of the Midway Town Board in 1897. In 1898 he was appointed road supervisor of the Midway roads. He was president of the Midway Water Works from 1900 to 1906. He was elected a member of the Wasatch County Commission in 1900, and served until 1907. He was elected a member of the Midway Town Board in 1907. He served on the Draft Board during World War I. He was appointed as an agent of the United States Public Service Bureau by the U.S. Secretary of Labor, W. B. Nelson, in 1918; and was appointed a delegate to the Mountain Congress for a League of Nations by Governor Simon Bamberger in 1919. He was crop and pests inspector of Wasatch County in 1919-1921. He was elected president of the Wasatch County Chamber of Commerce in 1930. He was appointed a member of the Utah State Defense Council in 1942, was a member of the Selective Service Board from 1942 to 1947. He was a director of the Heber Bank. He served as State Road Foreman in Wasatch County for twenty-six years.

He died May 13, 1952, in Midway, and was buried in the Midway Cemetery.

Emily Matilda Springer Coleman was born September 6, 1868, in Midway. She was the daughter of Nathan Chatmond Springer and Matilda Robey. She was married to Henry Threlkeld Coleman on December 31, 1889, in Midway, and the marriage was later solemnized in the Salt Lake Temple.

Emily came into the world one bright autumn Sabbath morning, the first-born of her goodly parents. The beautiful early morning birth heralded the joy and brightness of this lovely person. She learned easily and quickly. She was talented and capable from her very early childhood. She was a born executive and leader. She could sing, play the organ and write well at an early age. She had exceptional dramatic ability. While still in the elementary school, she assisted Attewell Wootton, the teacher, with his reading groups. At fourteen years of age she was a teacher in the Sunday School, and continued from then on to work in the Church.

After the death of her father she was a great comfort and help to her mother and family. She and her husband lived close to the Robeys and Springers and proved a pillar of strength to them.

Mrs. Coleman is the mother of eleven children, ten of them still living—all prosperous, talented citizens. She is the author of many lovely poems and pageants. She directed scores of pageants, programs and plays. She sang in the choir and was a member of the Singing Mothers until her advanced years prevented participation. She will be ninety-one years old in September, 1959.

She taught in the Mutual Improvement Association in her youth. She was president of the primary in the Midway First Ward, president of the Midway First Ward Relief Society for thirteen years and counselor for five years. She was a member of the Wasatch Stake Sunday School Board, the Stake Mutual Improvement Association Board, the Stake Relief Society Board. She has been a teacher in the Sunday School and Relief Society, and was the genealogical leader of the Midway First Ward.

She was the Charter Captain of the Hawthorne Camp of the Daughters of the Utah Pioneers, first vice-president to county

president Jane Turner of the DUP, first vice-president to county president Emma Wherritt of the DUP, county chaplain of the DUP.

She was chairman of the Red Cross in Midway, and co-chairman of the Liberty Bond Drive. She was a member of the Midway Dramatic Club, correspondent for the Wasatch Wave for forty years. She has spoken at many funerals, and presented innumerable programs. She was the Wasatch County Mother of the Year in 1955. She has traveled extensively.

The home of Henry and Emily Coleman has always been a gathering place, abounding in friendliness, cheer and hospitality.

Mrs. Coleman died at her home on March 15, 1961, and was buried in the Midway Cemetery.

At the time of her death, an editorial in the Wasatch Wave of April 6, 1961, entitled "A Grand Old Lady—Emily Coleman," said the following:

"The grand old lady of Wasatch County passed away last month, leaving a vacancy in the hearts of an entire community.

"Mrs. Emily Coleman, known affectionately as "Grandma" to hundreds of younger friends, left at her death a heritage of ten children, 26 grandchildren, 54 great-grandchildren and three great-great-grandchildren spread across the world from Midway to Australia.

"In addition, her friends numbered in the thousands; Midway First Ward Chapel, scene of her funeral, overflowed with the crowd present to pay their final respects, and notes of sympathy continue to pour in from far and wide.

"A correspondent for the Wasatch Wave for 40 years, Grandma Coleman served her church and community faithfully in many capacities.

"Grandma Coleman had been around for 92 years, so her passing came as no shock to family and friends. But those 92 years had been so filled with doing and giving and loving that she had become a permanent part of Wasatch County; her handsome, hospitable Midway home a haven for relatives and neighbors who found her perennial youth, her warmth and sparkle irresistible.

"Just as the gay patchwork cushion covers she worked at cheer the homes of her many friends here, so will the memory of Grandma Coleman cheer for years to come all whose lives she touched with hers."

Children of Henry Threlkeld Coleman and Emily Matilda Springer:
Henry Springer, married Viva Christine Orrock;

Guy Ellsworth, married Teresa Abplanalp;
Mrs. Francis C. (Lethe Belle) Tatge;
Mrs. C. Elmer (Merle Vivienne) Madsen;
Glen Robey, died in infancy;

Nathan Chatmond, married Cleo Stubbs,
who died, and Esther Johnson;

Keith Threlkeld, married Hazel Mae Blood;

Dale Franklin, married Nancy Helen Doolin;

Mrs. Laurence Winfield (Rhea Lillian) Guild;

Mrs. Reed A. (Ruth May) Phillips;

Mrs. George Frank (Jessie Chloe) Madsen.

In 1887 she was married to William Murdoch, a widower, who had arrived from Scotland in 1878 and had located in Lake Creek. His family, two sons and two daughters, were all married. They were: James D., David L., Margaret Adamson and Janet Baird.

William and Mary had three children, namely: William Louis, Mary Murray and Lizzabelle.

They sold their Lake Creek property and moved to Heber, where they lived many years.

William Murdoch passed away in March, 1913, and was buried in the city cemetery in Heber, Utah.

Mary was again called to mourn the loss of loved ones in the death of her daughter, Margaret Lindsay Burt, in January, 1916, and again in the death of her daughter Mary in November, 1918. After this sorrow she felt it best to sell her home and move to Idaho, to be near her children and other relatives.

She passed away at Lorenzo, Idaho, in June, 1929, and burial was made in the city cemetery at Heber, Utah.

JAMES LYON LINDSAY

James Lyon Lindsay was born September 21, 1873, at Heber, Utah, to William and Mary Mair Lindsay. His father took up a homestead about three miles east of Heber and the family moved there in 1877.

Here, Jim (or Jimmy, as he was sometimes called) spent his boyhood days, helping his father with the farm work. He attended school and Church in Heber. He attended Wasatch Stake Academy in Heber when it was established in 1889. In 1901 he moved his family to Provo, Utah, where he took a missionary course at the Brigham Young Academy.

Jim began herding sheep when he was 14 years old and a few years later was able to acquire a herd of his own. This was his vocation throughout his life.

Elizabeth Jones was born September 3, 1877, to Richard and Agnes Campbell Jones, at Heber, Utah. The two-room house in which she was born was located across the street, south of what is now the Wasatch High School. She went to school at Sleepy Hollow, two blocks west from where she lived.

In 1899 the Jones family moved to Center to live on a farm. Lizzie attended school and Church in this community. She was active in sports.

At times she used to work for other people, and when she was 10 years old she received 50 cents a week, and with her first savings she bought a pair of shoes for \$1.50.

She was trained to think of her home responsibilities. When she was away from home a little while in the afternoon she knew it was her duty to go home and help with the evening chores.

James Lyon Lindsay and Elizabeth Jones were married in the Salt Lake Temple on July 31, 1895. They made their home in Center and both took an active part in the Church and community.

While living here, six of their 10 children were born, namely: Vera (Mrs. Walter J. Rasband), Agnes (Mrs. Wallace Parkinson), Mary (Mrs. Kenneth H. Nelson), Della (Mrs. Clarence Ostlund), and Richard J., the only boy in the family, who married Arvilla Duke; Edna (who married William Carlisle, who died in a mine explosion, and she later was married to Dick Lane).

In 1903, Jim bought a ranch in Magrath, Canada, but the family only lived there a short time and returned to Utah on account of his wife having a very serious case of mastoid trouble. He sold his property in Canada and again made a home at Center.

Jim left his home to fill an LDS mission in the Northwestern States in July, 1906. Lizzie was left to care for five children, and John Allen, his brother, took over the care of his sheep. He returned in August, 1908.

In 1909 the family moved to Heber and bought a home one block east of the bank where Bertha (Mrs. Adolph M. Nielsen)

HEBER BIOGRAPHIES

and Merle (Mrs. S. Lawrence Moss) were born. Then, in 1916, they bought the home of Dr. Ray Hatch, two blocks east of the Exchange, where they were living when they died. In this house, LaRae (Mrs. Wilson Lenzi) and Vilate (Mrs. Russell Wall) were born.

Jim served as a member of the City Council and as a counselor in Heber First Ward bishopric and was a ward teacher.

Lizzie worked as an officer of the MIA about 20 years, a Relief Society teacher, working on the Sunshine Committee, and an officer in the Red Cross.

Jim died from a sudden heart attack at Currant Creek, Utah, on October 15, 1932.

Lizzie died after many months of illness at her home in Heber on June 11, 1945.

Cub Scouts Wonder at Nature's Creatures

18 Apr 1985

Twenty-seven of the twenty-eight Millroad Ward Cub Scouts went with seven of their leaders in six cars to the Monte L. Bean Museum at BYU this past Friday, April 12th. There they were given the chance to see and

touch some LIVE reptiles, including a python and a large lizard from South America, in addition to the numerous other animals on display throughout the museum. Afterward they all enjoyed a sack lunch on the grounds and sneaked a quick

look at the Foucault pendulum and dinosaur display in the Eyring Science Center before returning home. This was the first of the monthly excursions now planned for these boys.

The boys who enjoyed the trip were: Daniel Henke, Kody Clyde, Keith Mair, Nathan Horner, Daniel Webber, Randy Scott, Clint Pedersen, Billy Giles, Benjamin Anderberg, Brad Heisterman, Alan Gines.

Callister, Daniel Thacker, Aaron Cox, Matthew Webber, Roger Scott, Jonathan Fernandez, Ryan Carman, Joshua Mahoney, Benjamin George, Roy Montoya, Michael Henke, and Nathan Webber.

Dr. Willard J. Draper was the son of Charles H. and Nettie Harris Draper. He was born January 4, 1921, at Layton, Utah. He was accidentally killed by a gunshot wound June 4, 1958, and was buried in Heber City Cemetery.

On June 13, 1945, he married Helen Martin. They were the parents of three children: Martin Berry, Diane, and Robert C. Draper.

Dr. Draper was a graduate of Davis

High School, Weber College, Brigham Young University and the Northwestern University Medical School at Chicago, Ill. He interned at the LDS Hospital, Salt Lake City.

He was the owner of Heber Hospital and Clinic and co-owner of the Mt. Spa Resort, and had resided in Heber City 12 years. He was a kind and understanding person and was loved by the people of Wasatch County.

His interest in gardening made his home grounds a beauty spot in Heber. He took an active part in civic affairs. His art of cooking was unexcelled. The Smorgasbord luncheons he prepared were the finest of their kind. He did all the buying and most of the cooking. Hundreds of dollars were raised through these dinners for polio drives.

He loved to fish and hunt on his days away from the hospital. He was a capable and useful person.

March of Dimes Walk or Jog-a-thon Readied

11 Apr 1985

The March of Dimes Walk or Jog-A-Thon will be held this year on Saturday, April 27, and will begin at 9:00 a.m. The starting destination will be the Heber City Park and the event will end at the Homestead in Heber.

This fun and worthwhile activity is open to everyone: adults, children and families. Children will be given pledge sheets in the schools or they can be obtained from any 7-11. Those who have pledge sheets will get pledges from neighbors and friends as to how much money they will contribute for every kilometer that is walked. We encourage you to be generous! After the Walk-A-Thon is over the same people will come around and collect your donation. Prizes will be given for those that collect the most money.

The money from the March of Dimes Walk-A-Thon will be used for a number of worthwhile

projects. March of Dimes is putting a lot of effort right now into helping premature babies. Their poster children this year are children that weighed two pounds or less at birth but have developed into normal healthy children. A lot of money is given to developing programs to help mothers understand more about prenatal care.

March of Dimes helped buy the infant warmer in our Wasatch Hospital. Three years ago the Walk-A-Thon and Mother's March in Wasatch County made \$7,000. On a per capita basis we were the highest contributing county in the state. Utah leads the nation in contributions, so that made us the highest contributing county in the whole United States!

We hope to see many of you at the Walk-A-Thon on Saturday, April 27, either as participants or spectators.

Walk-a-Thon Scheduled

18 Apr 1985

On Saturday, April 27 over 1500 people across the state will participate in the 1985 March of Dimes Walk-a-Thon. Shoe leather will be worn out from Logan to St. George in the largest single-day fund raising event for March of Dimes. Here in Heber City we hope to have at least 350 men, women and children participate in this fun and worthwhile activity.

Our walk in Heber City will begin at 9 a.m. at the Heber City Park and end up in Midway at the Homestead. Apples and oranges will be given out along

the way for all marchers and hot dogs will be provided at the end of the trek.

This event is called a Walk-a-Thon yet we would like to encourage all you joggers to come out and run your kilometers. Bikes are discouraged as there is a greater danger of accidents, so plan on walking or jogging.

Please be generous when you are approached about sponsoring a walker. A walkman will be given away to the person who collects the most money. More prizes will be announced in next week's paper.

MIDWAY BOOSTERS

The Midway Boosters had a very instructional and entertaining meeting Friday evening. Charles Paull, director of Safety Services for the Salt Lake Chapter of the Red Cross, was guest speaker and gave us many instructions in getting ourselves prepared for any emergency that may arise.

First aid training is an absolute pre-requisite along with a definite plan of procedure in preparing ourselves. Common sense, too, will play a definite role in a state of emergency.

The rest of the program consisted of: a duet, Karma Kinsey and Joyce Probst; reading, Lethe Tatge; duet, Calvin and Ray Huffaker, accompanied by Elda Kohler on the guitar.

President Mike Gale announced the committees for Midway Days as follows: Friday sports, Ren Provost, Wendell Cluff; evening program, Francis and Lethe Tatge; daylight salute, George Remund; marshall band, David Provost; tours, Clarence Probst; parade, Vivian Probst and Della Rae Sweat; displays, General Chairman, Ruby Provost; art, Charles Buehler; flowers, Garden Club; agriculture, Roy Kohler; cooking and sewing, Home Makers Club; barbecue, Nephi and Francis Probst; hot dogs, drinks, Alma Huber, Conrad Boss; other concessions, Leland Ivers; dance, Ray Huffaker, Clyde Alder.

Any suggestions that would make our celebration a greater success would be greatly appreciated by the officers.

The Town has announced a clean up day for May 19th and a Cemetery Cleanup, May 26th.

The Boosters are 100 percent behind this move. Their slogan is Clean-up, Paint-up, Fix-up and Make Midway a Spot of Beauty.

The project of the Tennis Court will start Monday and continue throughout the week.

Ruby Provost was responsible for the program and the delicious luncheon.

Me? Their Most Important Teacher?

Wayne 19 Oct 1972

Yes, you the parents, especially the mother, are the first and most important teachers your children will ever have. The home is directly responsible for reading successes and failures which your children may experience throughout their lives. By teaching sound, basic principles, to be demonstrated in these meetings, you will be taking the first and most important step in reading success. Once they taste the joy of knowing word meanings and the names of many things; they will readily respond to reading instructions and experiences. You will then be ready to do your part to reinforce the reading instruction of professionally trained primary-grade teachers, and your children will be ready to progress as rapidly and as far as their ability will allow.

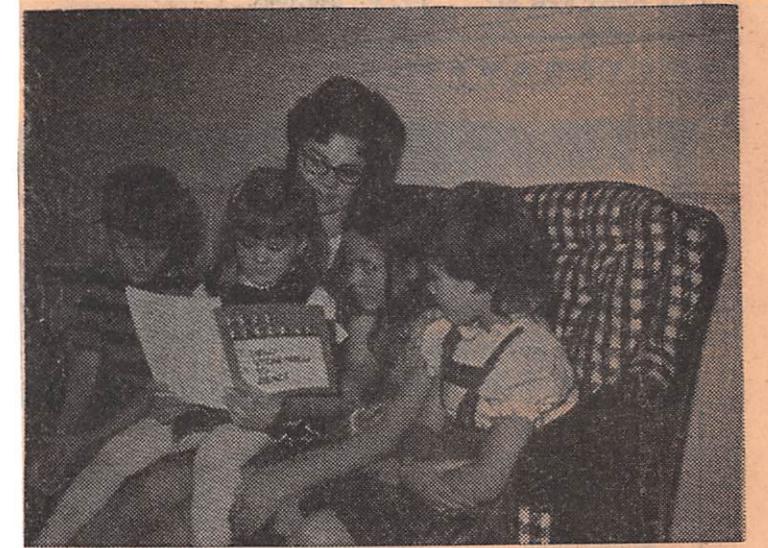

Midway School PTA is sponsoring the parents-participation demonstration to help you become the kind of (home) teacher your children need. To obtain this help, you need to be at the Midway School, Tuesday, October 24, 1972, at 2:45 p.m., or Thursday, October 26, 1972 at 7:30 p.m.

The demonstration materials are taken from a very useful booklet entitled: "Dear Parents,

"Help Your Child to Read!". This essential book will help you use instructional games and activities with your pre-school children as well as children from kindergarten through sixth grade. Throughout the years the teachers will suggest the use of specific activities, games, etc., from the book to add to the classroom experiences the children will be receiving. Parents may also use these activities in helping their children to overcome difficulties which may develop.

The Midway School PTA and the teachers of your children agree with the September, 1972, issue of Instructor Magazine which says: "Parents, community citizens, and schools must be partners, working together to create better and more successful educational experiences for children." Since you, the parents, are the first and the most important teachers your children will ever have, their progress in school, especially progress in reading, depends on how well we learn to work together to enthuse and instruct our children in this vital skill.

Will you join us at one of the demonstrations? Sincerely,
Your Midway School PTA.
